Being a good classmate

In class we often have to work in **groups**. Sometimes it's difficult because we can't speak English very well.

Sometimes everyone talks at the same time or people speak very loudly! And other times we forget to do the work and talk about other things. Here are some tips for working well in groups:

- **Give** your ideas.
- **Respect** the children in your class.
- **Offer** to help your classmates.
- **Use** a soft voice and be kind.
- **Participate** in the activities.
- **Stay** focused on the work.

What's the best way to work with your classmates?

- if your classmates are working very slowly?
- if a classmate forgets it's their turn when you're playing a game?
