

Hello, my dear friend! (Привіт, мій любий друже!)

I am glad to be here with you!(Я рада працювати з тобою)

Hope we will have a good time studying English and have fantastic results!(Сподіваюсь, ми гарно проведем час вивчаючи англійську мову та досягнемо гарних результатів!)

Let's start! (Давай починати!)

The subject of our lesson is “ BACK to SCHOOL”

1. **Warming up: Follow the link and pronounce the words after the speaker** (перейди за посиланнями та повтори слова та речення за спікером) Якщо ти не можеш перейти за посиланням то прочитай слова внизу.

Read and match the numbers with letters according to the context (прочитай та з'єднай цифри з буквами за змістом)

Oral Practice (усне мовлення)

Read the sentences what children tell about their favorite subjects and tell your mother or father about your favourite school subjects

1. Olga likes Maths **because** she can count and do sums well.
2. Max likes History **because** he likes reading books and it is very interesting to know the history of the different countries.

3. Clary likes Art because she can draw very well.

4. Pablo likes English because he has the chance to communicate with children from different countries.

Speak up using the phrases (твоя черга розповісти вживаючи наступні фрази)

it's interesting

it's boring

it's exciting

it's instructive

I like.....because

I am good at....because

I don't like....
